

Love Left For Me

M2m

You just said the worst thing you could ever say
Well, I don't understand why it just can't be this way
I'm crying because of you
I hate, yes, I hate all your lies
I'm so scared and I fear what I see in your eyes
But I hope, and I dream, and I wish, and I pray
That you have some love left for me
Do you have some love left for me?
You just did the worst thing you could ever do to me
Well, I don't understand why and I cannot see
That it's hurting because of you
I hate, yes, I hate all your lies
I'm so scared and I fear what I see in your eyes
But I hope, and I dream, and I wish, and I pray
That you have some love left for me
Do you have some love left for me?
Do you have some love left for me?
Do you have some love left for me?
I hate, yes I hate all your lies
I'm so scared and I fear what I see in your eyes
(You don't feel anything)
But I hope, and I dream, and I wish, and I pray
That you have some love left for me
Do you have some love left for me?
