

# Beat Of A Breaking Heart

[Matt Cardle](#)

Forgive my heart, forgive my mind  
They don't understand  
That I have no reason to lie  
Could run but there's nowhere to hide  
Take me as I am

I can hear  
The beat of a breaking heart  
Soaking in tears but this time I've gone too far

I need your soul, I need your grace  
'Cause you see through my disguise  
I still got your taste in my mouth  
I still feel your hands on my skin  
And as I close my eyes

I can hear  
The beat of a breaking heart  
Soaking in tears but this time I've gone too far  
And maybe tonight  
I'll fight not to fall apart  
How are we here when it's just the start?

I can hear  
The beat of a breaking heart  
Soaking in tears but this time I've gone too far  
And maybe tonight  
I'll fight not to fall apart  
How are we here when it's just the start?
