

All For Love

Serena Ryder

Stepping through the hole where the moon don't shine
Spent too long trying to make you mine
Kept on running but I fell behind
Butterfly better fly away this timeLost my place in the line again
Put it back on the shelf and let the dust settle in
I always thought we'd that be more than friends
I always thought that we were differentOh ooh
Oh oohI'm all for love
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right
I'm all for love
I'm gonna try it again
I don't wanna give up
Cause I'm all for loveNobody knows where the hell I've been
Gonna make a fool of myself again
Keep on getting stuck up in the same old scene
Baby why'd you have to go and be so meanOh ooh
Oh oohI'm all for love
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right
I'm all for love
And I'm trying again
I don't wanna give up
Cause I'm all for loveI don't believe in praying on your knees
Just let me leave I'm over the fantasyI'm all for love
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right
I'm all for love
And I'm trying again
I don't wanna give up
I don't wanna give in
But I can't see the light
Tell me how to do it
Tell me how I'm gonna get it right
I'm all for love
And I'm trying again

I don't wanna give up
Cause I'm all for love
