

# Livin' Large

L7

We're livin' large in our own little way  
We're livin large and we don't get paid  
We're livin' large in our own little way  
Got some lemons, make some kickass lemonade  
We're livin' large, and we got a lot  
We're livin' large, a certain je ne sais quoi  
We're livin' large and we got a lot  
What they call a certain je ne sais quoi  
We're livin' large
