

Give Me One Reason

Tracy Chapman

Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Said I don't want leave you lonely
You got to make me change my mindBaby I got your number and I know that you got mine
But you know that I called you, I called too many times
You can call me baby, you can call me anytime
You got to call meGive me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Because I don't want leave you lonely
you got to make me change my mindI don't want no one to squeeze me, they might take away my life
I don't want no one to squeeze me, they might take away my life
I just want someone to hold me and rock me through the nightThis youthful heart can love you and give you
what you need
This youthful heart can love you and give you what you need
But I'm too old to go chasing you around
Wasting my precious energyGive me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Because I don't want leave you lonely
You got to make me change my mindBaby just give me one reason, Give me just one reason why
Baby just give me one reason, Give me just one reason why I should stay
Said I told you that I loved you
And there ain't no more to say
