

# Hold on to Your Dreams

Keith Urban

Monday morning, another workin' week ahead  
Friday seems so far away  
The clock keeps ringin', I gotta get up out of bed  
Maybe this could be the day  
Motivation, well it keeps you holdin' on  
Every step of the way  
Headin' in the right direction when you think you're turnin' wrong  
Lookin' out for when you stray  
So hear what I say  
There's no other way, you gotta[Chorus]  
Hold onto your dreams  
'Cause someday baby  
Your ship is gonna come in, so  
Hold onto your dreams  
'Cause everything ya see  
Comes true if you believe in holdin'  
On to your dreams Well I know sometimes it's hard to see the light  
Shinin' at the tunnel's end  
And though the road just goes on and on for miles  
Faith lives just around the bend  
So now and then, remember Hold onto your dreams  
'Cause someday baby  
Your ship is gonna come in, so  
Hold onto your dreams  
And everything ya see  
Comes true if you believe in holdin'  
On to your dreams Just like your eyes are the window to the soul  
Dreams are the highway that lead to your goal  
Hold on, hold on  
You've got to hold on  
Hold on (Oh, you just got to hold on) Hold onto your dreams  
'Cause someday baby  
Your ship is gonna come in, so  
Hold onto your dreams  
'Cause someday baby,  
Your ship is gonna come in, so  
Hold onto your dreams,  
'Cause someday baby,  
Your ship is gonna come in, so

Hold onto your dreams  
'Cause everything ya see,  
Comes true if you believe  
In holding on to your dreams.
