

Where Do We Go (feat. Jamie Foxx)

Pitbull

Pit Bull:
Let's
Mr. world wide
Take over
M.K.
The JIM JOHNSON
Globe
Let's take over the globe

Chris Brown:
Where do we go from here?
Well, tell me please
Where do we go from here?
I want the world to tell me please
Where do we go from here?
Somebody please let me know
Where do we go from here?
I want the whole world to show.
Where do we go?
Where do we go?
Where do we go?
And i dont want to do it alone
I want the world (to dance)

PIT BULL
How you gon' tell me the sky's the limit? (sky's the limit)
When there's foot-prints on the moon
I don't need a TV show to dance with the stars
Not me I'm good
Half of the world don't like me
Half of the world want to be me
But believe it or not that pretty lil thing they call earth
Needs me
I'm here to show the world what it is

Chris Brown
Where do we go from here?
Well, tell me please
Where do we go from here?

I want the world to tell me please
Where do we go from here?
Somebody please let me know
Where do we go from here?
I want the whole world to show.
Where do we go?
Where do we go?
Where do we go?
And I don't want to do it alone
I want the world (to dance)

PIT BULL

Sun rotates and pit gets bigger
The more countries in the world I hit up
Armando bon double 0, trey 0 five
Aka Mr. worldwide
Don't be silly I've had it on lock and that's fa'sho
I already changed my city
My im on my way to change the globe
I'm trying to inspire the world
And show them what it is
When you hustle and you work hard
Show them what it is to put your life on the line
For the love of the grind
Life is a rhyme with no reason
And that's the reason I rhyme
But once i show the globe
I just wanna know...

Chris Brown

Where do we go from here?
Well, tell me please
Where do we go from here?
I want the world to tell me please
Where do we go from here?
Somebody please let me know
Where do we go from here?
I want the whole world to show.
Where do we go?
Where do we go?
Where do we go?
And I don't want to do it alone
I want the world (to dance)
