

# Angel's Eyes

## Love and Theft

On a cold and lonely morning  
Rain clouds over my head  
Gloomy memories in mind  
No way seems to lead out Then suddenly a shine came through  
Rainbow high in the sky  
There he was dressed in blue  
I never had a doubt When I looked into angel's eyes  
My heart started burning  
When I looked into angel's eyes  
My mind got yearning When I looked into angel's eyes  
My heart started burning  
When I looked into angel's eyes  
The world began turning His black hair blowing in the wind  
Oh what a sunny smile  
He took me by the hand and he said  
Come with me to the stars
