

I Don't Know

Gob

do you know what it is about you and me?
no one else is gonna blame the problems circling around you.
i don't know. i don't even want you around.
16. centipede i see you're just like a centipede.
you move fast, but you just move along the ground.

i better stay away from you.
i've got some cherries but i'll keep them to myself.
centipede you are a scavenger.
if you could, you would take my family.
i'll share but i won't share with you.
