Gimme Dat

Ciara

I've been gone for too long
Think it's time I bring it back
I've been gone for too long
Now it's time I take it back, back
Yeah, yeah you like it when I move it to the beat like that
Got that bump, bump in your trunk
Got them speakers burnin' up
Gimme that bass
Gimme, gimme, gimme, gimme that bass, that bass
Gimme, gimme, gimme, gimme that bass, that bass
Gimme, gimme, gimme, gimme that bass, that bass
Gimme, gimme, gimme, gimme that bass, that bass
Gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
This right here's a banger
This right here's a keeper
Just know when you play this
You know might blow out your speakers
Me I'm TNT
(Boom)
Please don't set me off
When the song come on
You know I'm goin' off
When the beat's up and down
Imma bring the place down
This Georgia peach is so round
Like it when I jump, jump down to the ground
When the beat's up and down
Never complain when I put it down
Your princess is back in town
I'm finna put on my crown
I've been gone for too long
Think it's time I bring it back
I've been gone for too long
Now it's time I take it back, back
Yeah, yeah you like it when I move it to the beat like that

Got that bump, bump in your trunk
Got them speakers burnin' up
