

# My Heart Is Yours

## Dale Watson and His Lone Stars

This morning I woke up beside the river  
The grass and trees were green  
Flowers began growing  
The birds so sweetly sang  
Stronger and much deeper now than ever  
Lying by your side  
I never feel this right  
I know it's real this time  
'Cause my heart is yours  
My heart is  
My heart is yours  
My heart is

The sun falls behind the greatest mountain  
And every moment passing by's  
A new color in the sky  
Darling, close your eyes  
And now we are flying  
We are flying over the mountains  
To follow the sun and back to the river  
When the evening has won  
'Cause my heart is yours  
My heart is  
My heart is yours  
My heart is

Lover when you look at me  
It hits me just like a summer breeze  
My heart, hold me close  
And underneath the moonlight melody  
Darling, dance with me  
Darling, dance with me  
Darling, dance with me  
Darling, like the morning Light  
Everything will be alright  
Everything will be alright  
My heart is yours  
Darling, like the morning Light  
Everything will be alright  
Everything will be alright  
My heart is yours

Darling, like the morning Light  
Everything will be alright  
Everything will be alright  
My heart is yours
