

# Till The Morning Comes

## Grateful Dead

'Till the morning comes, it'll do you fine.  
'Till the morning comes, like a highway sign,  
    Showing you the way, leaving no doubt,  
Of the way on in or the way back out.Tell you what I'll do, I'll watch out for you  
    You're my woman now, make yourself easy, make yourself easy  
    Make yourself easy, make yourself easy'Till we all fall down, it'll do you fine,  
    Don't think about what you left behind  
    The way you came or the way you go  
Let your tracks be lost in the dark and snowTell you what I'll do, I'll watch out for you  
    You're my woman now, make yourself easy, make yourself easy  
    Make yourself easyWhen the shadows grow, it'll do you fine  
    When the cold winds blow, it'll ease your mind  
    The shape it takes could be yours to choose  
What you may win, what you may loseTell you what I'll do, I'll watch out for you  
    You're my woman now, make yourself easy, make yourself easy  
    Make yourself easyYou're my woman now, make yourself easy  
    You're my woman now, make yourself easy  
    You're my woman now, make yourself easy  
    You're my woman now, make yourself easy
