

I Remember (Strobelite Edit)

Kaskade

Feeling the past moving in
Letting a new day begin
Hold to the time that you know
You don't have to move on to let goAdd to the memory you keep
Remember when you fall asleep
Hold to the love that you know
You don't have to give up to let goRemember turning on the the night
And moving through the morning light
Remember how it was with youRemember how you pulled me
Through, I remember
Remember how you pulled me
Through, I rememberRemember how you pulled me
Through, I remember
Remember how you pulled me
Through, I rememberRemember how you pulled me
Through, I remember
Remember how you pulled me
Through, I rememberRemember how you pulled me
Through, I remember
Remember how you pulled me
Through, I rememberFeeling the past moving in
Letting a new day begin
Hold to the time that you know
You don't have to move on to let goAdd to the memory you keep
Remember when you fall asleep
Hold to the love that you know
You don't have to give up to let goRemember how it was with you
Remember how you pulled me
Through I remember feeling the past moving in
Letting a new day beginHold to the time that you know
You don't have to move on to let go
Add to the memory you keep
Remember when you fall asleepHold to the love that you know
You don't have to give up to let go
Remember turning on the the night
And moving through the morning light
Remember how it was with youRemember how you pulled me
Through, I remember
Remember how you pulled me

Through, I remember Remember how you pulled me
Through, I remember
Remember how you pulled me
Through, I remember Remember how you pulled me
Through, I remember
Remember how you pulled me
Through, I remember Remember how you pulled me
Through, I remember
Remember how you pulled me
Through, I remember
