Stand

Billy Ray Cyrus (feat Miley Cyrus)

STAND!!! STAND!!! STAND!!!
Don't need big brother to wipe my ass,
Don't need Ted Kennedy to spill my glass.
Al not so Sharpton is a racist laugh,
the whole damn world can kiss my ass.
[chorus]I don't need nobody to hold my hand,
don't need nobody, I can stand
make my own way in a rock-n-roll band,
kiss my ass I'm an American.
Don't need no hippies to ban my gun,

Don't need no commies no Mao Tse Tung
rugged independence is a lotta fun,
I laugh so hard when I see em run.
I don't need nobody to hold my hand,
don't need nobody, I can stand
make my own way in a rock-n-roll band,

Don't ya think I'm taxed enuff?
maybe it's time to call your bluff
pimps & whores & welfare brats,
too much government way too fat,
STAND!!! STAND!!! STAND!!! STAND!!!
