Seance Fiction

GZR & Geezer

Face at my window
Eyes in the shadow
Staring right through me
Someone who knew me
Silent possession
Spectral procession
I feel the violence
In freezing silence, yeahEtereal laugher
From the hereafter
Consumes with fear
Why are you here
Pervading presence
Invades my conscience
Screams break the silence
I feel your violence
We ara the sins of man
Trapped here since time began
We are the spawn of shame
From where all hatred came
