Sometimes

Sammy Irish

Sheâ€™s got really cute eyes,
And the biggest wide smile.
We sat on the bus and we talked for awhile.
And all I could think was,
â€œgod sheâ€™s amazing.â€•
Her laugh is so loud,
So much joy itâ€™s contagious.
Thereâ€™s only one thing that stops me from chasing,
Her age - sheâ€™s so young, but my god sheâ€™s amazing.
Guess if itâ€™s meant to be, look Iâ€™ll be waiting,
Standing around for the girl so life changing.

Please donâ€™t ever change,
Please donâ€™t ever change.

Iâ€™ve got so many thoughts,
And so many suggestions.
What should I do next,
Should I ask the questions?
Guess if I do now,
Thereâ€™s no point in waiting.
The girl with the blonde hair,
My god sheâ€™s amazing.

Please donâ€™t ever change.
Iâ€™m waitinâ€™,
Iâ€™m waiting.
Please donâ€™t ever change.

Thereâ€™s sometimes,
Times they change,
Times they change.
Somehow youâ€™re in front of me,
Front of me.
I guess that itâ€™s true,
Yeah Iâ€™ve fallen for you.
Thereâ€™s not much to say,
Not a whole lot to do, yeah.

Thereâ€™s sometimes,

Times they change,
Times they change.
Somehow youâ€™re in front of me,
Front of me.
I guess that itâ€™s true,
Yeah Iâ€™ve fallen for you.
Thereâ€™s not much to say,
Not a whole lot to do, yeah.

She said he had a really big heart,
And a crazy big smile.
They sat on the bus,
And they talked for awhile.
And all she could think was,
â€œgod heâ€™s amazing.â€•
His laugh was so loud,
So much joy itâ€™s contagious.
Thereâ€™s only one thing,
That stops her from chasing.
The fact that sheâ€™s young,
And sheâ€™s already taken.
I guess if itâ€™s meant to be,
Heâ€™ll still be waiting.
Standing around,
For the girl so amazing.

Please donâ€™t ever change,
Iâ€™m begginâ€™,
Iâ€™m begging.
Please donâ€™t ever change.

Thereâ€™s sometimes,
Times they change,
Times they change.
Somehow youâ€™re in front of me,
Front of me.
I guess that itâ€™s true,
Yeah Iâ€™ve fallen for you.
Thereâ€™s not much to say,
Not a whole lot to do, yeah.

Thereâ€™s sometimes,
Times they change,
Times they change.
Somehow youâ€™re in front of me,

Front of me.
I guess that itâ€™s true,
Yeah Iâ€™ve fallen for you.
Thereâ€™s not much to say,
Not a whole lot to do, yeah.

Sheâ€™s got really cute eyes,
And the biggest wide smile.
We sat on the bus,
And we talked for awhile.
And all I could think was,
â€œgod sheâ€™s amazing.â€•
Her laugh is so loud,
So much joy itâ€™s contagious.
