

You're My World

[Glen Campbell](#)

You're my world you're every breath I take
You're my world you're every move I make
Other eyes see star up in the skies
But for me they shine within your eyesAs the trees reach for the sun above
So my arms reach out to you for love
With your hand resting in mine
I feel a power so divineYou're my world you are my night and day
You're my world you're every prayer I pray
If our love ceases to be
Then it's the end of my world for meWith your hand resting in mine
I feel a power so divine
