No Health

The New Division

There's no Medication for my cold
My Fever is getting stronger as I become weaker
Sedation only seems to help inside my soul
My body is getting weaker
and I don't even know whats wrong
know what, know what, know what, know what, know what, know what, know what, know what's wrong
know what, know what, know what, know what, know what, know what, know what, know what's wrong
know what, know what, know what, know what, know what, know what, know what, know what's wrongknow what, know what, know what, know what, know what, know what, know what, know what's wrong
