Kevin Michael

Your Vicki Secrets, can you keep em?
Your Vicki Secrets, can you keep em?
Your freaky secrets, can you keep 'em?
Your Vicki Secrets, can I have em? Lets goUp in your room, know your mama aint home tonight
What can we do, laying back in my draws just watchin TV
Right next to you with my hand on your thigh, look in your eye
You feel it too and what I wanna know isYour Vicki Secrets, can you keep em?
Your Vicki Secrets, can you keep em?
Your freaky secrets, can you keep em?
Your Vicki Secrets, can I have em?Girl, I love the way you tease me, the way you play
Love the way you act like its not today
Know you really dont mean what you say
When you mean mug and push me awayGirl its so cute
And I love it, I love it, I love it, I love it
Tell me the truth
But what I wanna know isYour Vicki Secrets, can you keep em?
Your Vicki Secrets, can you keep em?
Your freaky secrets, can you keep em?
Your Vicki Secrets, can I have em?Can I have you all to myself?
Can I go down, help you undress?
You say slow down but I know its time
To let go, let it goYour Vicki Secrets, oh, oh
Your Vicki Secrets, oh, oh
Your freaky secrets, oh, oh
Your Vicki Secrets, oh, ohUp in your room, know your mama aint home tonight
You feel it too and what I wanna know isYour Vicki Secrets, can you keep em?
Your Vicki Secrets, can you keep em?
Your freaky secrets, can you keep em?
Your Vicki Secrets, can I have em?Your Vicki Secrets, can you keep em?
Your Vicki Secrets, can you keep em?
Your freaky secrets, can you keep em?
Your Vicki Secrets, can I have em?Your Vicki Secrets
