

I Just Love You More

[Kate Nash](#)

I just love you more
I just love you more
I just love you more
 Than anything
I just love you more
I just love you more
I just love you more
 Than anything
I just love you more
I just love you more
I just love you more
 Than anything
I just love you more
I just love you more
I just love you more
 Than anything
I just love you more
I just love you more
I just love you more
 Than anything
Love you, I love you
I love you, I love you
 More, more
Love you, I love you
I love you, I love you
 More, more, more
Love you, I love you
I love you, I love you
More, more, more, more
 Love you, love you
Love you, I love just you
 More, more, more
I just love you more
