Im That Dude (Remix) ft. Lil Jon

Avant

It started when we got it in with each other (ah ah ah ah)
I should've thought about it but one thing led to another (oh oh oh oh)
Knew about my friends and all my other lovers
Pushing all the time like we're committed to one anotherIt's such a mental chase
Tired of saving face girl
All I ever see
Is you upset with me
So many different questions
All types of suggestions
Don't mean to come off harsh or rude
But I'm that dudeYou said when you met me that you would accept me
Don't try to correct me
Cause I'm that dude
I can't apologize girl you already knew
I'm just speaking the truth
Cause I'm that dude
(Said when you met me)
But I'm that dude
(You would accept me)
But I'm that dude
(Said when you met me)
I broke all ya rules
(You would accept me)
I'm that dudeIt was cool but you started dealing with emotions
You kept coming back like that cause you felt it was OK
Going through a different phase
Wanna show a nigga change my pace
But we had an understanding
What you want is too demandingIt's such a mental chase
Tired of saving face girl
All I ever see
Is you upset with me
So many different questions
All types of suggestions
Don't mean to come off harsh or rude
But I'm that dude[Repeat: x2]
You said when you met me that you would accept me
Don't try to correct me
Cause I'm that dude

I can't apologize girl you already knew
I'm just speaking the truth
Cause I'm that dude
(Said when you met me)
But I'm that dude
(You would accept me)
But I'm that dude
(Said when you met me)
I broke all ya rules
(You would accept me)
I'm that dude
