Sitting Down Here (original version)

Lene Marlin

Your words cuts rather deaply they're just some other lies I'm hiding from
a distance I've got to pay the price defending all aagingt it really
don't know why you're obsessed with all my secrets you always make me cry
you seem to want to hurt me no mather what I do I'm telling just a couple
but somehow it gets to you but I've learned to get revenge and I swear
you'll experience that some day
I'm sitting down here, but hey you can't see me kinda invisible ... You
don't sense my stay not really hiding, I'm out like a shadow just tought I
would join you for one day I'm sitting down here, but hey you can't see me
I'm not trying to avoid you, just don't want to hear your vioce when you call
me up so often, I don't really have a choice you're talking like you know
me, and want to be my friend but that's really too late now, I won't try it
once again you may think that I'm a loser, that I don't really care you
may think that it's forgotten, But you should be aware cause I've learned
to get revenge and I swear you'll experience that some day
I'm sitting down here, but hey you can't see me kinda invisible ... You
don't sense my stay not really hiding, I'm out like a shadow just tought I
would join you for one day
I'm sitting down here, but hey you can't see me kinda invisible ... You
don't sense my stay not really hiding, I'm out like a shadow but sure I want to
join you for one day you for one day
