

A Certain Girl

The Nomads

There's a certain girl I've been in love with a long, long time
What's her name?
I can't tell you
AhhI can't reveal her name until she's mine
What's her name?
I can't tell you
AhhI've tried to make her time and time again
Still we're introduced as nothing but friends
There's a certain girl I've been in love with a long, long time
What's her name?
I can't tell you
AhhThere's a certain chick I've been sweet on since I met her
What's her name?
I can't tell you
AhhI can't reveal her name until I get her
What's her name?
I can't tell you
AhhSomeday I'm going to wake up and say
I'll do anything just to be your slave
There's a certain girl I've been in love with a long, long time
What's her name?
I can't tell you
AhhThere's a certain girl I've been in love with a long, long time
What's her name?
I can't tell you
AhhI can't reveal her name until she's mine
What's her name?
I can't tell you
AhhI've tried to make her time and time again
Still we're introduced as nothing but friends
There's a certain girl I've been in love with a long, long time
What's her name?
I can't tell you
Ahh
