

My Ass Is Grass

Matthew Sweet

No fun, nowhere I can run
My ass is grass
You lied, didn't show the way
My ass is grass Come to a town where only ghosts are found
No fun, nowhere I can run
My ass is grass, my ass is grass
My ass is grass, my ass is grass You lied, didn't show the way
My ass is grass No fun, nowhere I can run
My ass is grass
You lied, did not show the way
My ass is grass, my ass is grass
My ass is grass
