Groovin' Tonight

Brian Mcknight

Tonight's the night tonight's the night
Girl you lookin' so fly do do do do do do do
And I wanna get it on hmm
U city city city made this ya uh uh
Do do do do do do
Brian McKnight lunatics groovin' groovin' groovin' night ha yeah
Girl you looking so fly do do do do
What you what you thinkin' about that ?
Ha ha what you thinkin' about that? Ladies
And I wanna get it on
Now you could search the whole globe but couldn't replace me
Skurred then face me you wanna race me
Fendi fur Cartier glasses for the blur
I'm a do it for me and let you do it for her
I got a real bad habit when I wanna grab it
So many karats in the ring I'm half man, half rabbit
Hey it's be like ahh man when they see me with Cardan
Puffin on the green discussin' a war plan
I used to have rock now it's stocked with a labtop
Fat pot a six four with the ass dropped
With a dime daughter dabbed in Estee Lauder
I want the new Tims so from the crib I made an order
So top the ching playa what I wanna take ?
But she been on my ass since thumps and pencil breaks
'Cause I'm the playa with the dough a playa with the flow
Fo' reel playa sloppy drunk in the row
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
Skuie baby girl you hear me callin' you
Now I ain't hawkin' you just wanna walk with you
Talk with you for a second spit a little somethin' in that ear
Whatever it takes to make you come near
You're sound sincere aye
Baby talkin to me but I'm starin' at her rear
And I'm like oh dear

I ain't never seen nigga like you before
And you the type to make a playa wanna open your door
And to the house up on the hill and the jagged shore
As long as you can prove that you wit' a playa for sure
You know I'm young and a thug so I got issues
I did them St. Louis blues I done paid them dues aye
But nevermind that how 'bout we hop the next cruise ?
We can cash it or plastic you choose
Get pissed out with the Cristal or the Boones
Get ya Xed out leave ya stretched out in the room my doom
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
Keep it movin' movin' I keep it groovin' huh
Keep it movin' movin' I keep it groovin' huh
Keep it movin' movin' I keep it groovin' huh uh
Yo baby girl you lookin' sly in yo' Donna K
Hopin' I could give you some love in the right way
But I don't wanna give you the wrong impression
I keep it mellow sayin' hello
You still thinkin' I'm a thug fellow
So I let you know from the get go you thorough
You are a cutie with thighs and you live for the Nero
But me and my team drop shit overseas
Then bounce wit' the ounce that's thick and Japanese
I'm a goodfella, you know I'm a made man
Got 'em winin' like spoiled babies in playpens
Put that ass up baby and I hit it from here
Now lick your tongue out lady and I put it in here
Let me whip that lick that and I don't stop
Then hit the block with my niggas in my new drop
Convertable, tens and dubs no matter the weather
One sixty on the dash chinky guys and leather c'mon
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
Party
All day
Never stop

Never stop
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
Fellas we can get it on
Maybe even party till the break of dawn
'Cause the ladies are groovin' tonight
To the ladies lookin' fly
If you wanna ride them hold on tight
'Cause the fellas are groovin' tonight
