

# Money's Gettin' Cheaper

[Jimmy Witherspoon](#)

Well, money's gettin' cheaper  
Prices gettin' steeper  
Found myself a woman  
But I just couldn't keep her  
Times gettin' tougher than tough  
Things gettin' rougher than rough  
I make a lot of money  
I just keep spendin' the stuff  
Well, pork chops on the market  
Ask the butcher for a pound  
Couldn't buy a pork chop  
When I laid my money down  
Times gettin' tougher than tough  
Things gettin' rougher than rough  
I make a lot of money  
Just keep spendin' the stuff  
Well, politicians are tellin' folks  
To cut out on their meat  
Why don't they cut the price  
And let the people eat?  
Times gettin' tougher than tough  
Things gettin' rougher than rough  
I make a lot of money  
I just keep spendin' the stuff  
Well, I can't afford to live  
I guess I'll have to try  
Undertaker's got a union  
And it costs too much to die  
Times gettin' tougher than tough  
Things gettin' rougher than rough  
I make a lot of money  
I just keep spendin' the stuff
