

# Upside

Allen Stone

It keeps turning me  
Upside down  
It keeps pulling me  
Underground Love is like gravity  
It pulls me down equally  
And draws me back every time  
This love is a heavy kind That love is my enemy  
I keep it close, close to me  
And I forget the pain it caused  
It's better to have loved and lost This love has no alibi  
Still, it feeds my appetite It keeps turning me  
Upside-down  
It keeps pulling me  
Underground It keeps turning me  
Upside-down  
It keeps pulling me  
Underground One and one is always two  
I apologize for how I treated you  
Nonetheless, I believe  
That this will be the death of me Sunrise and nightfall  
I'm back behind, behind it all  
And I will wait, I will take my time  
Patience is a friend of mine Your love has no alibi  
Still, I fuel my appetite It keeps turning me  
Upside-down  
You keep pulling me  
Underground It keeps turning me  
Upside-down  
It keeps pulling me  
Underground Well, consequence haunting me  
Still, I follow helplessly It keeps turning me, yeah  
Upside-down  
You keep pulling me  
Underground It keeps turning me, yeah  
Upside-down  
Oh, you keep pulling me, yeah  
Underground
