Back In Our Town

Ivy

Back in our town
You were the only one who really knew me
Laughing out loud
We always knew, you could see through meUnder the sun
Whispering foolish things, you could really hear me
You were the one
The only one, I would let near meEverything is all right
Everything is all rightBack in our town
You were the only one who ever loved me
I'll let you down
I never felt you'd let go of meWe by the sun
Wondering slowly on the street together
Back in our town
Everything seems to last foreverEverything is all right
Everything is all right
Everything is all rightAnd here I go
When nobody knows
And here I go
When nobody never ever knowsAnd here I go
When nobody knows
And here I go
When nobody never ever knowsBack in our town
You were the only one who really knew me
And here I go
When nobody knowsBack in our town
You were the only one who ever loved me
And here I go
When nobody never ever knowsBack in our town
You were the only one who really knew me
