Rebel

CRASHDÃ•ET

Lights out
Waiting for the midnite call
The time's now
Shadows dancing on the wall
N' all around
Rising from the underground
We come alive,
The fallen one's are back for more

Children of the night
Soldiers of our time
Scream it out loud, one generation
Riot in the streets
Fighting and debris
Raise your fist high, the generation wild

One night
Of shattered glass n' broken bones
The cure
To medicate a restless soul
We're all around
Revolution's at your door
So break out and celebrate once more

Children of the night
Soldiers of our time
Scream it out loud, one generation
Riot in the streets
Fighting and debris
Raise your fist high, the generation wild

Light come
We're back against the wall
Time won
We're held in chains at dawn
But we survive
The streets are waiting in the dark
We're breakin out of fear n doubt
We stand up screamin on the walls

Nothings gonna hold us down
Waiting for that midnite call

Children of the night
Soldiers of our time
Scream it out loud, one generation
Riot in the streets
Fighting and debris
Raise your fist high, one generation
Children of the night
Soldiers out of line
Scream it out loud, one generation
Riot in the streets
Fighting and debris
Born to die free
One generation
The generation wild
