Rotten to the Core

X-Fusion

Time to light the fires and spill the waste,
(It'll be okay), drain the oceans,
Who needs them,
Anyway, (Not me)
Pick the region then pick the fight,
(Pin the tail on you) Shit on your neighbors,
And blow it up tonight (Now lets go)

No time to fix it, just move along,
More damage to do, destruction for you

I've heard some people say,
Were rotten to the core, rancid, bitter,
No voice, nothing to say,
No options anymore, rotten to the core!

Time to burn the bridges, waste resources away (hooray)
Where's out superman to save the fucking day (Lets go)

No time to fix it, just move along,
More damage to do, destruction for you

I've heard some people say,
Were rotten to the core, rancid, bitter,
No voice, nothing to say,
No options anymore, rotten to the core!

Worldwide cattle call,
One more drop of the ball,
No more, no way wake the fuck up!

I've heard some people say,
Were rotten to the core, rancid, bitter,
No voice, nothing to say,
No options anymore, rotten to the core!
