It's The Same Old Song

Rod Stewart

A sentimental fool am I
To hear a old love song and wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
I keep hearing the part that used to touch my heart
Saying together forever breaking up never...

It's the same old song but with a different meaning
Since you been gone
It's the same, same song
But with a different meaning since you been gone...

You're sweet as a honey bee
But like a honey bee stings
You've gone and left my heart in pain
All you left is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be...

Now it's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone...

Precious memories keep a lingering on
Every time I hear our favorite song
Now you're gone left this emptiness
I only reminisce the happiness we spent
We used to dance on the music
Yeaah dance on the music...

It's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone

Whoaaa whoaaa...

A sentimental fool am I
To hear a old love song and wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
I keep hearing the part that used to touch my heart
Saying together forever breaking up never...

It's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone.
