Beautifully Broken

Gov't Mule

Mysterious, blown in with the night
All this beauty captured in a frame
Visibly shaken but never stirred
Drives them insaneI see the way she plays her men
And I know I've got to know her nameShe's so beautifully broken
Shaped by the wind
Dangerously twisted
Here I go againI see the way, she casts her spell
It's like drownin' in moonlight
Discards them when she's done
They're lost in her twilightI watch her move from star to star
And I wonder why, why it feels so right?She's so beautifully broken
Barely see the flaw
Especially from a distance
Which is always how I fallWhy do I fall for the dangerous ones
The ones that never learned to let go?
Why do I lie to myself and pretend that I can break her
When she's already been so beautifully brokenWhy do I fall for the dangerous ones
The ones that don't know how to let go?
Why do I lie to myself, pretend that I could break her
When she's already been so beautifully brokenShaped by the wind
Dangerously twisted
Here I go again
Here I go again
