

Goodnight My Friend

Vertical Horizon

Goodnight my sun
Goodnight my friend
Rest your soul
At this long day's endThe fire inside
Will warm our night
And daddy's arms
Will hold you tightDream of summer skies
Sunset is bound to each sunrise
Rest is your first right
My friend goodnightThis world spinning
Time always winning
The silver chains keep thinning
And this is just your beginningSleep my friend
At last be free
No we won't forget
Our merriest melodyGone to another place
Of carousel rides 'round an angel's face
I'm sure we'd both laugh at the sightMy friend goodnight
