Dog Dreams

The Story

Me and Rex took the car, ha, ha, stay home, stay
We're gonna run over all the neighborhood cats
'Cause they tease us from the other side of the fence
We're gonna go in the swamp and you can't hose us offDog dreams, dog dreams
Please don't wake us upNo bad dog, no stay
No basement, no way
No choke chain, no dry food
No fetch game, no, no, noNo bad dog, no stay
No basement, no way
No choke chain, no dry food
No sit, lie down, roll over, shameMe and Rex took the car, ha, ha, stay home, stay
We're gonna go through everyone's garbage
Have the dinners we deserve
We're gonna find some great smelling bitches
And see if they meant what they said from the end of the leashDog dreams, dog dreams
Please don't hose us offNo bad dog, no stay
No basement, no way
No choke chain, no dry food
No fetch game, no, no, noNo bad dog, no stay
No basement, no way
No choke chain, no dry food
No sit, lie down, roll over, shameNo bad dog, no stay
No basement, no way
No choke chain, no dry food
No fetch game, no, no, noNo bad dog, no stay
No basement, no way
No choke chain, no dry food
No sit, lie down, roll over, shameBad dog, bad dog
Bad dog, bad dog
Bad dog, bad dog
