

Sleepless in London

Neon Jungle

My ceiling funt, I know it well
I lie awake and think of you
Next time I'll say, say something cool
We fall to death, that you want me

Staring at, at my phone, here in my bed
Wishing on all the words I never said
I keep on typing you text messages
Knowing that, that I won't ever hit send, I'm

Sleepless in London, all I think about is you
My heart is breaking and I don't know what to do
Have you ever, ever felt like that?
I'm not all that you want and it hurts so bad

Sleepless in London, woah
(Sleepless in London) Woah

There's nothing that I wouldn't do
To make you feel the same way too
I gave my heart, gave it to you
But you won't give yours back to me

Staring at, at my phone, here in my bed
Wishing on all the words I never said
I keep on typing you text messages
Knowing that, that I won't ever hit send, I'm

Sleepless in London, all I think about is you
My heart is breaking and I don't know what to do
Have you ever, ever felt like that?
I'm not all that you want and it hurts so bad

Sleepless in London, woah
(Sleepless in London) Woah

You're in love, just not with me
A secret crush, a sad more day
And I can feel me break
But if I hear you say my name

My heart that you can save

Sleepless in London, all I think about is you
My heart is breaking and I don't know what to do
Have you ever, ever felt like that?
I'm not all that you want and it hurts so bad

Sleepless in London, woah
(Sleepless in London) Woah

I can't sleep unless you're here with me
I'm sleepless
