HelloHello
Can you hear me?
Now put your hands in the air
For a centuryHello
If you hear me
Now put your hands in the air
For a centuryHello
Can you hear me?
Now put your hands in the air
For a centuryHello
If you hear me
Now put your hands in the air
For a centuryHello
Can you hear me?
Now put your hands in the air
For a centuryHello
If you hear me
Now put your hands in the air
For a centuryHello
