

# To Be Lonely

## Joan as Police Woman

This is the one I will try  
This is the one I will try  
This is the one I will try  
To be lonely withThis is the one I just know it  
This is the one I want to show it  
This is the one I will die for  
To be lonely, to be lonely withAnything for you, anything I'd do  
Shameless  
I'll brave the night alone  
The darkened sky, uncertain skiesI'll make it through  
It's a wondrous night  
Protect me, night  
I'll make it throughThis is the one I will try  
This is the one I will try  
This is the one I will try  
To be lonely withThis is the one I just know it  
This is the one I want to show it  
This is the one I will die for  
To be lonely, to be lonely with
