[Pre Hook]
Iâ€™m the Venus for your Mars
Iâ€™m the healing for your scars
Iâ€™m the nighttime for your stars
You donâ€™t have to look so far
Watering the family tree
Ever after happily
If the Earth falls to the sea
In your arms is where Iâ€™ll be

[Hook 2x]
We already are
You and me
Psychically in tune to the, stars

[Verse 1]
Sometimes we fight like cats and dogs
But here we are giving it our all
So many years in the making , but then forsaking, and forgetting
Even for a moment, I am not betting on our demise
I can see the future in your eyes
I see the presence, ironic surprise
When you go counter and I clockwise
Thru the worldâ€™s pain and all the lies
We will grow a garden every time
And if i harden, will you remind
Me of the softness, I had in my prime
If I seek will you help me find, and when I freak wonâ€™t you be kind
Know theres sometimes demons in the mind
What can I say, its hard being an interdimensional bride

[Pre Hook]
Iâ€™m the Venus your Mars

Iâ€™m the healing for your scars
Iâ€™m the nighttime for your stars
You donâ€™t have to look so far
Watering the family tree
Ever after happily
If the Earth falls to the sea
In your arms is where Iâ€™ll be
[Hook 2x]
We already are
You and me
Psychically in tune to the, stars

[Verse 2]
You might as well get used to this
Death do us part, here healthy or sick
I got eternity to wait
And I know Iâ€™m choosing my own fate
And Even if I was, burned at the stake
I would reincarnate
Like a yogi in a lotus
From the mud we are exploded
I didnâ€™t walk to you, I floated
When empty, you help me get reloaded

[Pre Hook]
Iâ€™m the Venus your Mars
Iâ€™m the healing for your scars
Iâ€™m the nighttime for your stars
You donâ€™t have to look so far
Watering the family tree
Ever after happily
If the Earth falls to the sea
In your arms is where Iâ€™ll be

[Hook 2x]
We already are
You and me
Psychically in tune to the, stars

(Music break, Repeat pre hook & hook)
