Walk Away (Demo)

Funeral for a Friend

All of the words, that we have to say,
They don't leave,when the moment comes,
We know we have to wait,
As the days, go on, and the places fade away,
To turn to dust
It all fades away.
And the waiting is the hardest thing to take,
And I'm moving for before we break.If you have to let it go,
And these dreams keep you awake,
If you have to let it go,
Walk away,And the shapes we want to see,
Don't leave another piece that this puzzle needs,
And the waiting is the hardest thing to take.
And a moment for before we break.If you have to let it go,
And these dreams keep you awake,
If you have to let it go,
Walk away,
And the waiting is the hardest thing to take,
And a moment for before we break,
If you have to let it go,
And these dreams keep you awake,
If you have to let it go
Walk away
