Let It Rain (On Me)

The Mavericks

Wherever this old road ends up winding through
May it take me home so I can be with you
As I lay in bed waiting for my dreams
I'll rest my weary head and maybe get some sleepOh let it rain
Let wash away
Sorrows and pains
Before a brand new dayI will do my part to never let you see
Before the teardrops start, let it rain on meOh let it rain
Let it wash away
Sorrows and pains
Before a brand new dayI will do my part to never let you see
Before the teardrops start, let it rain on me
