

# Sounds Like the Devil

## Shemekia Copeland

Love is tumbling, dreams are crumbling  
We are looking for a place to hide  
People are hurting, politicians certain  
They got God on their side  
And they're saying that he's talking to 'em personally  
but it sounds like the devil to me! Hard as I'm slaving, there ain't no saving  
I'm never gonna see a dime.  
I ain't got health care, lord it ain't fair  
I can't even afford to die  
They said they treat us all just like family  
But it sounds like the devil....sounds like the devil.....  
Sounds like the devil to me!  
But it sounds like the devil....sounds like the devil  
Sound like the devil to me! A bunch of real smooth talkers  
Got people under their spell  
If that's what it takes to get to Heaven  
Somebody save me a cool spot in Hell!  
Preacher told me....the number's toll free  
God's ready to wash away all my sins.  
I know what he's saying, yes yes prayin'  
I sent all my dollars in  
Lord forgive my suspicious personality  
But it sounds like the devil...sounds like the devil.....  
Sounds like the devil to me!  
Lord it sounds like the devil....sounds like the devil....  
Sounds like the devil to me!  
Yes sounds like the devil to me  
Sounds like the devil to meeee!
