Everyone Deserves to Love

Safe Mode

A bar not far floating like a firefly
serving shining drinks of god
a girl red hair, acting like she doesn't care
shoot me in my eyes with love
Everybody is fading, I am blown away
by falling in her rabbit hole
Everybody is fading, what's the matter girl
I've been waiting all this time for you
Call me, save me, everyone deserves to love
Call me, save me, everyone deserves to love
Everybody is fading, I am blown away
by falling in her rabbit hole
Everybody is fading, what's the matter girl
i've been waiting all this time for you
Call me, save me, everyone deserves to love
Call me, save me, everyone deserves to love
Call me, save me, Call me
Call me, save me, everyone deserves to love
