Keep Me Waiting

Cymbals Eat Guitars

Is there we please, please, please, please
I hit the coast with the faith of a preacher man
I saw a ghost with a face like a madman
I had this dream I was sleepin' at the royal ball
I hit the streets, they watch me in the monitor
I saw a clone who looked just like a senator
I checked the clock, I felt that it was time to go
Go, go, then came you
Why did you keep me waitin' so long?
Why did you keep me waitin' so long?
Why did you keep me waitin'?
Why did you keep me waitin' so long?
I was a spy, I was captured by the enemies
I made a million selling secret fantasies
I saw my love wasted in a pale grey zone, yea
I was the quake shakin' every monument
I had to fi-find out what all the money meant?
I checked the sun, I knew that it was time to go
Go, go, go, then came you
Why did you keep me waitin' so long?
Why did you keep me waitin' so long?
Hey baby, why did you keep me waitin' so long?
Why did you keep me waitin'?
Then came you
Why did you keep me waitin' so long?
I got to know, why did you keep me waitin' so long?
Yea, yea, yea, yea
Why did you keep me waitin' so long?
Keep me waitin' so long
