

# Fly to My Destiny

Shinta Rosari & Marsya Manopo

All of my days  
And all of my lifes  
I've been searching for miracles  
And now i have found the miracle is inside my heart

There's no where to run  
There's no where to hide  
From the love i have within me  
And now i am realize  
You are my miracles

And i know there is nothing can stop me  
If i believe  
I will open my eyes and spread my wings  
And i'll come to You

Fly reaching my dreams  
Reaching my goes  
Reaching whatever i want to be  
Fly, i will fly to my destiny  
Fly reaching my dreams  
Reaching my goes  
Reaching whatever i want to be  
Fly, i will fly to my destiny  
My destiny is You

Ooooooooo

There's no where to run  
There's no where to hide  
From the love i have within me  
And now i am realize  
You are my miracles

And i know (and i know)  
there is nothing can stop me (stop me)  
If i believe  
I will open my eyes and spread my wings  
And i'll come to You

Fly reaching my dreams  
Reaching my goes  
Reaching whatever i want to be  
Fly, i will fly to my destiny  
Ooooo  
Fly reaching my dreams  
Reaching my goes  
Reaching whatever i want to be  
Fly, i will fly to my destiny  
My destiny is You

I will fly  
I will fly  
I will fly... To my destiny  
I will fly  
I will fly

Fly reaching my dreams  
Reaching my goes  
Reaching whatever i want to be  
Fly, i will fly to my destiny  
Fly reaching my dreams  
Reaching my goes  
Reaching whatever i want to be  
Fly, i will fly to my destiny  
My destiny is You
