

Do It Again

The Chemical Brothers

Oh, yeah, aha
Let's turn this thing electric
Let's turn this thing electric
Let's turn this thing electric
Let's turn this thing electric
Let's turn this thing electric
Let's turn this thing electric
Let's turn this thing electric
Do it again
Do it again
Do it again
Do it again
Oh, my God, what have I done?
(Do it again)
All I wanted was a little fun
(Do it again)
Got a brain like bubble gum
(Do it again)
Blowing up my cranium
(Do it again)
Oh, my God, what have I done?
(Do it again)
All I wanted was a little fun
(Do it again)
Got a brain like bubble gum
(Do it again)
Blowing up my cranium
(Do it again)
Oh, yeah, aha
Oh, yeah, aha
Oh, my God, what have I done?
(Do it again)
All I wanted was a little fun
(Do it again)
Got a brain like bubble gum
(Do it again)
Blowing up my cranium

(Do it again)

Oh, my God, what have I done?

(Do it again)

All I wanted was a little fun

(Do it again)

Got a brain like bubble gum

(Do it again)

Blowing up my cranium

(Do it again)

Turn off my robotic brain

All my thoughts are all the same, all insane

Do it again

Do it again

Do it again

Do it again

Do it again

Do it again

Do it again

Do it again

Paint my face and bang my drum

Throw my bone up to the sun

Bang my drum and paint my face

Pump my cave to hyperspace

Do it again

Do it again

Do it again

Do it again

Do it again

Do it again

Do it again

Do it again

Oh, my God, what have I done?

(Do it again)

All I wanted was a little fun

(Do it again)

Got a brain like bubble gum

(Do it again)

Blowing up my cranium

Turn off my robotic brain

All my thoughts are all the same, all insane
