God and Guns

Hank Williams, Jr.

Last night I heard this politician
Talkin' 'bout his brand new mission
Liked his plans but they came undone
When it got around to God & gunsWell I don't know how he grew up
But it sure wasn't down at the huntin' club
'Cause if it was he'd understand
Just a little bit more about the workin' manGod & guns
Keep us strongThat's what this country was founded on
Well, we might as well give up and run
If we let 'em take our God & guns
That ain't gonna happenOut here in my neck of the woods
Where God is great and guns are good
You really can't know that much about 'em
If you think we're better off without 'em
there was a time we ain't forgotYou could rest all night with your doors unlocked
But there ain't nobody safe no more
So you say your prayers and you thank the Lord
For that peace maker '38 in the dresser drawerGod & guns
Keep us strong
(Keep us strong)That's what this country was founded on
Well, we might as well give up and run
If we let 'em take our God & our guns
Yeah, we might as well give up and run
If we let 'em take our God & guns
That ain't happening baby
Got a shotgun rifle and a four wheel driveGod & guns
A country boy can survive
Don't let 'em take
Don't you let 'em take
Don't let 'em take our God & guns
God & guns, yeah, keep us strongThat's what this country was founded on
Well, we might as well give up and run
If we let 'em take our God & guns
I don't think so
