

The Niles Edge

Vast

My name spells joy
I can't remember darkness
Except a dream
You saved my life Do you wonder what you saw?
Floating softly at the Niles edge
Alone, alone Wandering eyes
Commitments never can last
It feels so cold
To know our name I've never known you
And I never will
What difference does
Indifference takes Do you regret what you saw?
Floating softly at the Niles edge
Alone, alone Do you regret, regret what you did?
Running softly, softly from the Niles edge
Alone, alone
