

# Queen of Mars

## Candace

(That's it. You got it!)  
I was just a lonely girl  
Looking for a little fun  
Though without a friend in the world  
I was forced to find a new one  
Now I'm the Queen of Mars  
I was invisible on Earth  
It only took a magic portal to Mars  
To give me some self worth

You put a crown on my head  
And you all seem to worship me  
But you don't understand I word I said  
Still you treat me like royalty  
'Cause I'm the Queen of Mars  
I was invisible on Earth  
It only took a magic portal to Mars  
To give me some self worth!  
(Woo-hoo Ferb! Follow that music!)
