

Don't Wanna

Warpaint

Why's this story got to follow the reason?
Why's this story got to be about things that you know?
We're down to hold you down
There's something in the words you choose to live by
But you know that it's the words that often hide you down
Oh, we will not be defined Don't wanna
Don't wanna (define)
Don't wanna
Define myself
Don't wanna
Don't wanna
Define myself
Don't wanna
Don't wanna (define)
Dont wanna
Define myself
Don't wanna
Don't wanna
Define myself What you know about this love, this love
Would you thought about all inside you now?
That you only hold
Turning corners like someone's gonna get you
Take your shovel cause it's thinking it might beat you up, you up Let's have it all, have it all with it
Get it all, get it all with it
Come out with it
Come out with it
Get it out
