

Look to the Side

Otis Taylor

If I fall in the ocean, would it take me home?

If I fall in the ocean, would it take me home?

If I fall on the stars, would I get lost?

If I fall on the stars, would I get lost?

Look to the side and I'll be near.

Look to the side, I'll be near.

If I climb the mountain, would I get there?

If I climb the mountain, would I get there?

Look to the side, I'll be near.

Look to the side, I'll be near.

If I fall in the ocean, would I get home?

If I fall in the ocean, would I get home?

Look to the side, I'll be near.

Look to the side, I'll be near.

Look to the side....Look to the side....
